If the office happens to be closed on the last date of receipt of the bids as specified, the bids will be received and opened on the next working day at the same time and venue. "**Technical Bids**" shall be evaluated by a screening/evaluation committee at the Division/Circle/Zonal office whose decision shall be final as the case may be, and the bidder(s) who qualify shall be invited to attend the opening of "**Financial Bids**" for which the date and venue will be intimated later on.

4. The prospective bidder is further informed that the Architectural Drawings of the buildings involved in the project will be available in the Bidding Document and that it will be the responsibility of the bidder to do the detail structural design and the development of the structural drawings. Detail sub-soil investigation and any of other required surveys and tests will invariably precede the structural design and the development of the structural drawings. In other words, the structural design and the development of the structural drawings will strictly be based on the findings of the sub-soil investigation and any of other required surveys and tests. And further that, the bidder will get the structural design and the structural drawings so developed, proof-checked by the IITs at Guwahati/Kharagpur/Delhi/Bombay/Madras. The BOQ (Bill of Quantities) indicating individual items should be prepared based on the proof-checked structural drawings. The bid shall be made based on this BOQ by the bidder. The bid should be delivered at the office of the Executive Engineer on or before **20/09/2014** as already indicated in the table above and at para 3. The proof-checked structural design and structural drawings will be a part of the Technical Bid and will have to be submitted in the Bidding Document while making the bid. Further, nothing additional shall be paid to the bidder for sub-soil investigation and any of other surveys and tests, structural design, development of structural drawings and getting them proof-checked by any of the IIT's listed herein. Expenses on all these activities shall be borne by the bidder as an integral part of the bid. No claim(s) whatsoever, on this count by the bidder will be entertained by the Department. It may also be noted that no reimbursements of expenses incurred on sub-soil investigation and any of other surveys and tests, structural design and development of the structural drawings and getting them proof-checked by an IIT will be made to the unsuccessful bidder(s) in any circumstance. Further clarifications, if needed, on this issue may be had by personal enquiries during purchase of the Bidding Document.
5. The Employer reserves the right to accept or reject any bid, and to cancel the entire bidding process and reject all bids, at any time prior to the award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform affected bidder or bidders of the grounds for the Employer's action.
