No. SER/Works/SAP/07-08/

Dated Rupa the 29th February, 2008.

To

The Executive Engineer,
PWD Division,
Tawang/Jang/Bomdila/Kalaktang/Seppa/Bameng.

Sub :- Allocations under Special Assistance Package (SAP)- Utilization thereof.

The allocations conveyed under Special Assistance Package (SAP) as a part of announcement of Hon'ble Prime Minister has been received. It should be ensured that :

1. The allocations are properly utilized against the individual schemes, with commensurate physical progress ;
2. Pending bills, which have items of works, which are not covered by sanctions and are not part of scheme, should not be cleared, till the scheme is completed. You will be personally held responsible for making such unauthorised payments ;
3. No work/supply orders shall be issued for such item of works, which do not have sanction coverages and are not part of the scheme. The Executive Engineers are advised not to succumb to external pressures for award of works which are not part of sanction coverages.
4. Photographs have to be taken before starting, during execution and after completion, as per the fixed targets.
5. Utilisation certificates for individual schemes shall have to be submitted after achieving the targets, to get the release of balance amount.

It would be the responsibility of each Executive Engineer to ensure judicious utilization of funds . The utilization and physical achievements shall be monitored by the PMO and Planning Commission. The onus lies on the department to produce good results so that additional funds can be obtained from the GOI. In case of any problem, the matter should be referred to higher authorities promptly.

Please acknowledge receipt of the letter.
