Sub: Submission of tender documents in hard bound copy – reg.

Instances have come to the notice of this office in some of NE States, that the tender documents have been accepted by State PWDs in loose or spiraled bounded copies against the laid down norms of the Ministry. It is therefore, requested that in future during tendering process for NH works, the tender documents may be accepted only in hard bound copies and a line stating that "*all the bidder must submit their bids in hard bound copies otherwise their bids will be rejected*" may be incorporated clearly in NIT. Similarly, other guidelines of CVC may also be followed scrupulously for all NH works, in future.

Yours faithfully

(S.C. Mandal)
Regional Officer
