PUBLIC WORKS DEPARTMENT ARUNACHAL PRADESH  
ITANAGAR**

**Subject: Project wise provision of fund under One Time ACA/SPA during Annual Plan 2007-08.**

I am enclosing herewith the full list of ACA/SPA works proposed to be taken up during 2007-08. Instruction of Planning Department may please be read carefully.

It is seen that there are good number of **Public Buildings**. Some of the concept papers have been initiated by PWD. As a technical department, it is our solemn duty to build **DURABLE AND QUALITY ASSETS**. As the region falls in the most seismic hazardous zone, it will also be necessary that the buildings are earthquake resistant. The steel-framed structure marketed under brand name TATA-BLUESCOPE offers **world-class product** which are not only fast in construction but also can be designed to 100% earthquake resistant with 100% quality assurance. On the other hand, concrete framed has its various limitations.

I would therefore request the PWD Officers to review design of the buildings specially large span buildings like community halls, Hospital infrastructures, school buildings etc. for possible use of steel-framed structures. The related Hand-Book on Steel-frame is being uploaded under General Circular section of the website.

Building up of **capable contractors** in the State is one of the core areas that the Government is working in its reform programme. This will not only enhance quick delivery of quality assets but also improve capability to absorb more funds. Efforts must be therefore made to award works to capable contractors. The PWD Officers also need to understand various procedures of tendering. All formalities required for Rules for Enlistment of Contractors in the State has been completed and very soon the Rules is likely to be cleared by next Cabinet sitting.

**Subject: Project wise provision of fund under One Time ACA/SPA during Annual Plan 2007-08.**

Please find herewith the distribution of project wise provision of funds under One Time ACA/SPA during Annual Plan 2007-08 in the enclosed Annexure 'A' & 'B'. The allocation of one time ACA communicated earlier has now been slightly revised. Therefore, concerned departments are requested to make necessary correction in this regard. The project-wise allocation of SPA now communicated is over and above the outlays communicated by Memo No. PD(P)-9/2007 Vol.-II dated 16<sup>th</sup> October' 2007.

2. It is clarified that (a) **the allocation of both ACA and SPA now provided is inclusive of 10% loan component against each project**, and (b) utilization of fund under One Time ACA/SPA is subject to approval of Planning Commission and subsequently release of fund by the Ministry of Finance, Govt. of India, New Delhi. In case of any doubt/confusion, the concern departments may like to seek clarification from Planning Department.
