OFFICE OF THE CHIEF ENGINEER,
EASTERN ZONE, PWD, AP, ITANAGAR.

No. : CEAP(EZ)/WM-13/2008-09/ **1536 - 62**

Dated 18th July, 2008.

To,

All Superintending Engineers (Under Eastern Zone),
Public Works Department,
Arunachal Pradesh.

All Executive Engineers (Under Eastern Zone),
Public Works Department,
Arunachal Pradesh.

Sub :- Use of Polymer Modified Bitumen (PMB) and Crumb Rubber Modified Bitumen (CRMB) in PWD.

In the recent past, a number of circulars have been received from the Ministry of Road Transport and Highways, Government of India, New Delhi stressing on the need to use Polymer/Rubber modified bitumen in National Highway works and other Centrally sponsored programmes. The Ministry has also sought performance report on a six monthly interval on the use of such kind of bitumen. As the department is already executing Centrally sponsored road schemes and as road building programmes under the SARDP, Trans-Arunachal Highway Programme, etc are on the anvil, it will be prudent to use these new products in our road constructions.

An offer for supply of Polymer/Rubber modified bitumen has been received from M/S Bitchem Asphalt Technologies, Meghalaya. The credentials of the company has been verified by this office and has been found satisfactory. Consequent to this verification, this office has accorded Brand approval to M/S Bitchem Asphalt Technologies, Meghalaya vide No. CEAP(EZ)/WM-13/BITCHEM/08-09/1507-1534 dated 17th July, 2008 which may be referred to. It is requested to get in touch with the company for the purpose of procurement as per terms and conditions envisaged in the aforesaid office order.

Extracts of IRC guidelines and copies of the circulars received from the Central Ministry are enclosed for ready reference.
