**Sub: Guidelines regarding pre-qualification of Contractors in NE States for NH/ISC works costing more than Rs. 2 crore – Inclusion of R.O. as member of Technical Evaluation Committee – reg.**

**Ref: Ministry's letter No. NE-12037/49/01/NER/NH-10 dated 16.07.2001 (copy enclosed).**

Sir,

You kind attention is invited to the Ministry's letter cited above wherein Ministry's guidelines works costing between Rs. 2.0 crores and 15.0 crores in NE region on "*pre-qualification procedure and technical evaluation*" of bids invited under two cover system were conveyed to the State Govt./PWD, according to which the technical bids for all NH works costing between Rs. 2.0 crore and 15.0 crore in NE region will be evaluated by a committee comprising R.O. and State PWD Officials.

Instances have come to notice of this office in some NE States, where R.O. was not invited for evaluation of technical bids for NH works costing between Rs. 2.0 crore and 15.0 crore. It is, therefore, requested that Ministry's guidelines in this regard shall be followed scrupulously for all NH/ISC works costing between Rs. 2.0 crore and 15.0 crore

Encl: **As above.**

Yours faithfully,

(Sanjay Garg)  
Executive Engineer  
for, Regional Officer
