Terms and conditions

- 1). The rates of supply of steel shall be valid for a period of six months from the date of approval by the Government. These are firm rates valid for six months without any cost escalation.
- 2). 100% Advance Payment shall be released on production of Bank Guarantee by the firm for the entire value of the supply. The bank Guarantee shall be collected by the Executive Engineer of the procuring Divisions.
- 3). In case, Bank Guarantee is not furnished by the firm, supply of steel shall be affected against photocopy of the demand draft for the amount quoted in the proforma invoice. The photocopy of the demand draft shall be sent to the firm along with the supply order and on completion of supply, the original bank draft shall be released to the firm.
- 4). The rate of supply shall be inclusive of all mandatory taxes including VAT as was envisaged in the NIQ.
- 5). Safe delivery of the materials shall be the responsibility of the supplier and they shall be liable for recovery at double the cost in case of supply of damaged materials or short supply.
- 6). Each consignment of the supply shall be accompanied by a test certificate from the manufacturer indicating the date of manufacture of the consignment.
- 7). Supply orders shall be placed from time to time during 2008-09 based on actual requirement and planned usage of the material by the works department.
- 8). Quality of the supply be tested at random free of cost in the firm's laboratory or any other testing laboratory by the procuring officers at the cost of the supplier. In case the supplies, randomly tested so, are not found upto the mark, the department shall cancel the current order, without any liability to the department and further orders shall not be placed.
