Sub: **Utilisation of One Time ACA Annual Plan 2006-07.**
Sir,

The One Time ACA allocation of Rs. 27.00 crore, has been received by the State only on 19th March 2007. In view of late receipt of fund, it will not be appropriate to allow full utilization of ACA funds within a short span of time. This might result in haphazard utilization of fund, which is not desirable.

We have requested the Planning Commission, New Delhi on 23rd March 2007 to extend the time frame of utilization of the ACA funds in the next financial year. We have been given to understand that the Planning Commission would extend the time for utilization of ACA funds for 3 months i.e. upto June 2007.

1. In this regard, following may kindly be noted for urgent actions:
2. It is not obligatory to spend the entire outlay for the Scheme during the C.F.Y.
3. ACA funds can be utilized till June 2007.
4. Wherever LoC is applicable, it be issued accordingly.
5. F.D. will give budgetary coverage for the unspent amount during first quarter of 2007-08.

Yours faithfully,

(Kewal K Sharma)

Dev. Commissioner (Finance)
