Sub: Land Acquisition for construction of 2-laned Highways in Arunachal Pradesh.

Sir,

The construction of the two-laned Trans-Arunachal Highway was announced by the Hon'ble Prime Minister as a part of the PM's Package on 31-01-2008. This National Highway will cover as many as 11 district headquarters of the State and will traverse a length of 1811 Km from Tawang to Kanubari. Construction of this highway will involve up-gradation of the existing road to double lane standards, which in turn will entail land acquisition by the State Government along the alignment of the road.

Prior to the issue of Government notification for acquisition of land, an Executive Order prohibiting all construction activities along a **width of 45 metres both for Open as well as Built-up Areas** is required to be issued by Deputy Commissioner of the districts under their jurisdiction. These widths are inclusive of the Right of Way (ROW) and the setbacks for building lines, which are required to be kept free from all kinds of encumbrances.

These land widths are proposed to be acquired by the State Government as per standard norms guiding construction of National Highways. A recent Executive Order issued by Deputy Commissioner, Papum Pare District on 11-04-2008 for construction of four-laned NH-52A connecting the State Capital along with Gazette Notification No. S.O 1163 (E) published on 16/05/2008 in part II, Section 3, Sub-section (ii) in the Gazette of India, Extraordinary are enclosed herewith for ready reference.

District PWD units will be shortly contacting you for intimating the logistics of the Trans-Arunachal Highway falling under their jurisdiction.

The Executive Order may be issued at the earliest.

Encl: As stated above.

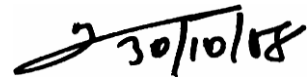

Yours faithfully,

(OTEM DAI)
