To

The Secretary,
PWD.
(all States/UTs as per list attached)

Subject: Review and streamlining the sanctioning of the schemes and allocation of funds under Central Road Fund (CRF).

Sir,

I am directed to say that the matter relating to streamlining the sanctioning of schemes and the allocation of funds under CRF which is presently governed by the 1977 resolution (copy enclosed as Annexure-I for ready reference) passed by the Parliament has been under consideration of the Government for quite some time past. After a detailed review, following decisions have been taken and will be effective from 1.4.99:-

- (i) Schemes will be sanctioned in ratio of 80:20 of the likely accruals for State and Centre as provided in the resolution.
- (ii) Only those schemes will be sanctioned which satisfy the criteria/purposes mentioned in para 6 (a) to (d) of the resolution. For this purpose, State Govts./UTs will have to specifically certify about the purposes/objects mentioned in the above para.
- (iii) Schemes would be sanctioned in single stage now. As such a brief note incorporating the purpose of the scheme and the benefits that would accrue by implementing same should be sent for each scheme. Schemes should be sent for consideration for sanction only after the technical sanction has been accorded and details should be furnished in the proforma at Annexure – II. It should also give brief technical details but detailed estimates etc. are necessary.
- (iv) Schemes should be routed through the Secretary, PWD and not sent directly by the Chief Engineers of the State.
- (v) In the event of the estimated cost of the schemes being more than the entitlement/free balance which will be communicated from time to time and any additional requirement over and above that would have to be met by the concerned State/UT from their own resources. For this purpose, a certificate from Secretary, PWD, or an authorized officer of this Sectt. should be given.

- (vi) Wherever more than one schemes are sent by the State Govt./UTs these should be sent in order of priority to enable the Ministry to take a view having regard to the available free balance.
- (vii) State Govts./UTs should furnish their requirement of CRF having regard to the amount already allocated, amount spent out of same the likely requirements. For this purpose, it is requested that the requirement for the year 1999-2000 should be sent by 30.6.99. In case, no demand is received by this date, it will be presumed that the State Govt./UTs do not need any fund for the year 1999-2000.

For subsequent years also the date for projecting the demand would be 30th June.

- (viii) Full details of the progress of schemes sanctioned so far should be sent in the proforma as in Annexure – III to the Monitoring Zone of the Ministry. Later on this may be sent on thrice in a year for the period ending 31st March, 30th September and 31st December each year in the same proforma. In this proforma all the columns should be filled in detail.
- (ix) It may be specifically noted that no proposal for revised cost estimate would be entertained and any cost over run would have to met the State Govt./UTs from their own resources.

For the sake of information, it may be state that the revised resolution as passed by the two Houses of Parliament on 13.5.88 providing for earmarking of an amount not less than 5% of the basic price of petrol and diesel out of custom and excise duties levied on same has not yet been implemented. This matter is under consideration and as and when a decision is taken to finally implement it, the enhanced accrual would be intimated.

Above position/decisions may kindly be noted so as to enable this Ministry to sanction the scheme timely, and allocate the funds.

Yours faithfully,

(Devki Nandan Gupta)

Under Secretary to the Govt. of India
